## POWERS & SONS SELECTED FOR NEW J.W. MARRIOTT HOTEL

---

White Lodging Services and REI Real Estate Services have embarked on the construction of \$425 million JW Marriott Complex in Indianapolis. The dynamic hotel development project will include the city's largest, full-service convention hotel and a total of 1,568 rooms including: 1,000 rooms in the JW Marriott tower; 250 rooms in the Courtyard by Marriott; 168 rooms in the Fairfield Inn & Suites by Marriott; and 150 rooms in the SpringHill Suites by Marriott.

The 34-story JW Marriott has a unique, crescent moon shape and includes a glass curtain wall system with thousands of multi-colored glass panels. The JW Marriott tower stands approximately 373-feet tall making it the tallest hotel in Indianapolis and the city's seventh tallest building.

Powers & Sons has been selected as the specialty trade subcontractor to perform the installation of doors and hardware for this special one of a kind project.
