
POWERS & SONS AWARDED McDONALDS REMODELING PROJECTS ALONG INDIANA TOLL ROAD - ROLLING PRAIRIE INDIANA

Powers & Sons has been selected by The McDonalds Corporation to provide general contracting services for the cosmetic renovation of the lobby and rest rooms in the Eastbound and Westbound Rolling Prairie travel plazas.

The project will consist of exterior painting and EIFS repairs along with the removal of the existing canopy's. Interior lobby work will include new wall covering, painting, floor tile repair and ceiling upgrades. Restroom work includes the removal and replacement of the mirrors, hand dryers, light fixtures, faucets, refinishing of Corian counter tops and floor tile repairs.
